A screenshot of a mobile application interface for real-name authentication. The top status bar shows the time 09:45 and various icons. The app's title bar is blue with a back arrow, the text '实名认证' (Real-name Authentication), and a settings icon. Below the title bar, there are two input fields: '姓名' (Name) with the placeholder '请输入您的姓名' (Please enter your name) and '身份证号' (ID Number) with the placeholder '请输入您的身份证号' (Please enter your ID number). A blue '确认' (Confirm) button is positioned below these fields. A red rectangular box highlights the input fields and the confirm button.
